Re: Assessment Account 101955

Mr. & Mrs. Perry:

I appreciate your prompt response to my July 27<sup>th</sup> letter and am writing to confirm the Division's records have been updated to show water right 55-11063 was historically used and continues to be used to irrigate land at 926 W 900 N in Provo with water from the Brown Ditch.

As the present owners of the property and users of water right 55-11063, in the name of J. Joseph Johnson you pay an assessment to the Provo River (LCD) Distribution System under account 101862. Assessment Account 101955 appears to be a duplicate billing for the water used at your property and has been inactivated. Your efforts to call this error to our attention are much appreciated.

Regards,

Susan Odekirk, P.E.  
Distribution Engineer
